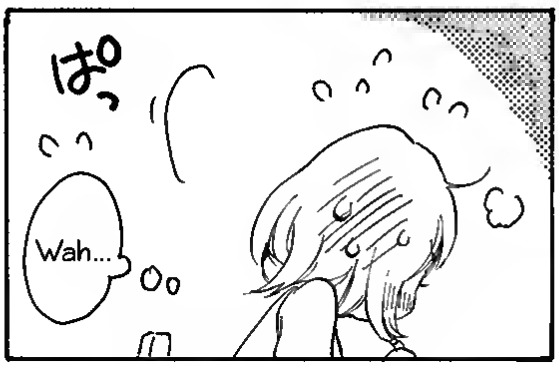
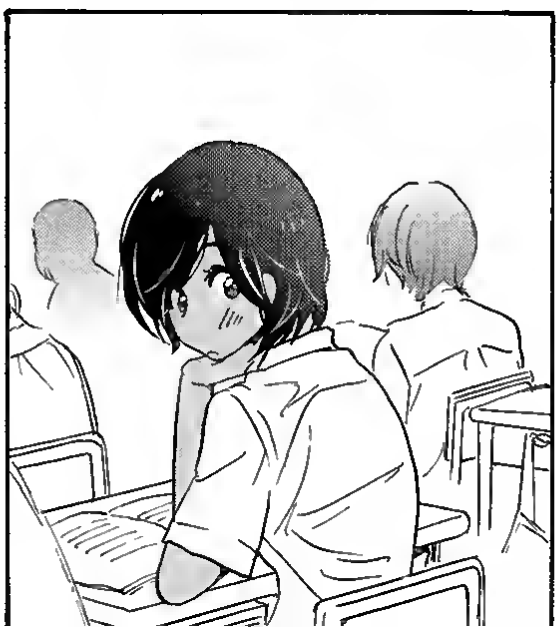
My favorite person is in the same class as me.



Even though we're both girls, we're dating.



I was supposed to have a club meeting today, but it looks like they ended early...
Oh, nice!
That's rare!
Yamada, wanna hang out today?
オーイ、コーイ
Then how about you come over?

...Yeah
I mean, I've been to your house before, so this time you should come to mine!
It'll be fine! No one's gonna be home 'til evening.
Eh?!
?
BONK!
Yeah!
Let's do that...
...Yeah
Let's do that
Let's do that
That was a little bold, you know.
...Yamada
Later...
Bye!

Well...
I mean, you always come to my house, Mika-wacchi.
Eh, how come?
Kase-san and I are a bit different, y'know...
You're always there 'til evening
You just said something big right now.
Huh?
Why is she saying such a thing?
I guess I don't know how far you two have gotten.
Eh?
How far?!
Yamada

Ah

I'd quite like to go to England someday.
It's holy ground for gardeners.
It's an environmentalist volunteer group in England.
That's a National Trust book.
Heh...
?
You sure have a lot of books in your room, Yamada.
Mhm.
Lotsa English books
Eh?!
You're moving to England, Yamada?!
Huh?
Heh
It's amazing, Yamada...
Let's eat some cake already!
OKAY?
I can't speak English!
I couldn't move there!
Pfft! I meant just for a trip!
As if!
Ohhh
Wa~!
Don't stare at my room that much!

Did I hit the jackpot?
Yeah! Great choice!
It looks delicious!
Thank you~!
Wah!
Strawberry shortcake!
My favorite!
Here, Yamada.
Eh?
You can have my strawberry.
Eh?!
You like strawberries, right?
I do, but the strawberry is the life of the cake!
Say aaah
Oh shut up and open wide♡

Huh?
You haven't been to any of your other friends' rooms?
Like one of your club-mates...
?
Can't say I have.
Is this what a normal girl's room looks like?
My room's completely different! It's basically a training room.
I'd never seen such a cute room before, so I got all nervous.

Like, any girlfriends...
Eh?
What?
What about a g-girl-friend's room...?
Eh?
I haven't been to a friend's house since elementary school. Too busy with track!
Ha ha ha

Here's the strawberry, Yamada.
Seconds?!
How many you gonna eat?!
Mind if I take a second slice?
that you had before me...
ひょい
ぱく
Eh~
もぐもぐ
?
Not eating, Yamada?
ぱく

I shouldn't worry so much about stuff like that.
Kase-san is Kase-san after all.
It can't be helped...
Sure, I'll eat!
ぽすん
Well, whatever.
Ah
Yamada, do you want to do it with me?
We're even eating delicious cake!
ぱく
Besides, I get kinda sad just thinking about it...
And right now Kase-san is with me!

...How about it?
How about what?
About what?
.....

ドキ...
Um...
I wonder if Kase-san wants to kiss right now...
ドキ
...Kissing, perhaps?
ドキ
I think I wanna do it, too...
Sure...
I-If you wanna do it, Kase-san...

Ah, wait until I've finished my cake, okay?
ぱくぱくぱく
Oh man...
Why did Mikawacchi have to say that today, of all days?
ドキ
ドキ
It's just made me more embar-rassed.
でしでしでしでし
Pfft

You don't really get it, do you, Yamada?
He he he
Eh?
Sorry...
I figured you'd be like that, Yamada.
Aha
I just got ahead of myself after being invited over.
Eh?
I-
I totally get it?!
Liar! You totally don't, Yamada.
He he
